

Kidz Club

Kidz club is fun and exciting school holiday program for kids from kindy to year six running each year in the April school holidays. We play games, talk to puppets, eat food, do craft and hear about God at our very own Kidz Club in Cherrybrook. Kidz Club is supervised by trained teachers and responsible adults.

Kidz Club is free but it is important that you pre-register so we can ensure that we have enough food and materials for each child. Although we can cater for your child's allergy requirements if you let us know before hand we suggest you provide morning tea for your child if they have a particular allergic reaction.
